

TWO MANTRAS TAUGHT BY LORD BUDDHA
FOR WHEN WE MAKE OFFERINGS

**1. All-purpose mantra for multiplying the good karmic seeds
of any good deed we ever do:**

Om smara smara, vimanaskara, mahajava hung!

*Om I think of You, I think of You! Tear yourself away and come quickly, quickly,
hung!*

2. This mantra both blesses & offers the offering cloud

*Om namo Bhagavate, vajra sara pramardane, Tathagataya,
Arhate samyak Sambuddhaya, Tadyatha,
Om vajre vajre, mahavajre, mahateja vajre,
Mahavidya vajre, maha bodhichitta vajre,
Maha bodhi mandopasankramana vajre,
Sarva karma avarana vishodhana vajre sva ha. (3x)*

I bow to the Three Jewels.

I bow to the Conqueror.

To the Heart of the Diamond, the Destroyer.

To the One Gone Thus.

To the Destroyer of the Foe, the Totally Enlightened One.

Thus it is.

Om, to the Diamond, the Diamond.

To the Great Diamond.

To the Great Diamond of Glory.

These the Secret Words of Greatness, *Sva Ha!*

To the Diamond of the Wish for Enlightenment.

To the Diamond of the Great Enlightenment, which is the Very Essence.

To the Diamond which Purifies Us of the Every Karmic Obstacle, *Sva Ha!*
